

Current guidelines for all visitors

With Illinois' reinstated Phase 4, Mercy Circle welcomes visitors for all residents. Families and friends, schedule in-person and virtual visits by contacting LifeEnrichment@MercyCircle.org.

Visitors must comply with precautions that mitigate the spread of COVID-19 including

- Staying home if you experience symptoms of the virus or may have been exposed to it
- Participating in a screening 24 hours before each visit
- Wearing a face mask that covers both nose and mouth
- Practicing six-foot social distancing in all situations
- Washing hands regularly using soap and water or sanitizer
- Conforming with Chicago's travel advisories

Effective February 12, 2021
