

## **Current guidelines for all visitors**

All residents can welcome two people, age 12 and older from different households, for visits in their apartment or suite between 10am and 7pm seven days a week.

Visitors should call 773-253-3600 to schedule their visits and for assistance with compassionate care visits. Contact [LifeEnrichment@MercyCircle.org](mailto:LifeEnrichment@MercyCircle.org) to schedule a virtual visit.

If a visitor experiences symptoms or tests positive for COVID-19 within three days of being on campus, immediately call 773-253-3627 so Mercy Circle can complete contact tracing.

### **All visitors must**

- Stay home if experiencing symptoms that may indicate COVID-19
- Provide personal contact information to facilitate contact tracing
- Arrive wearing a tight-fitting face mask that covers both nose and mouth and continue wearing a mask when in a common area at Mercy Circle; however, visitors can remove their mask once they are in a residence
- Register with Mercy Circle's receptionist who will take their temperature and ask screening questions
- Proceed directly to a resident's home, not visit in any common areas
- Wash or sanitize their hands, especially before and after touching residents
- Practice social distancing
- Use designated entrances and exits
- Refrain from consuming food and beverages, sharing phones and tablets
- Comply with Chicago's travel advisories

Thank you for following all protocols designated by federal, state, county and city health agencies during a visit to Mercy Circle.
