

Mercy Circle residents sponsor annual gift drive

Mercy Circle residents Sister June Anselme, RSM (from left) and Sister Mary Sheehan, RSM, join Mercy Associate Laurel McGrath to wrap gifts that they purchased for seniors who live in Countryside Senior Apartments, which is part of the Mercy Housing network. For 10 years, Mercy associates have organized a Christmas gift drive. As a group of women and men from all walks of life, they pledge support to the mission and good works of the Sisters of Mercy. This is the third year that Mercy associates and Mercy Circle residents have collaborated to help residents of Countryside Senior Apartments.
