

## MACs with Mercy plants herbs for food pantry

Students from the Mother McAuley Liberal Arts High School LEAD Club joined Mercy Circle residents to plant herb gardens for families served by Pat's Pantry. Participants included juniors (top photo) Maeve Howley and Maeve Zuber and Sr. Nancy Kennelly IBVM, and Sr. Carol Mucha RSM and Sr. Campion Maguire RSM. MACs with Mercy brings together McAuley students and Mercy Circle residents to serve the greater community while they build new connections. Each month, McAuley students from a different club visit Mercy Circle to spend time with the residents. The herb gardens celebrate spring and will add a fresh, tasty touch to meals over the months to come.
